"A perfect woman, nobly plann'd
To warn, to comfort, and command
And yet a spirit still, and bright
With something of angelic light"

—WORDSWORTH

Dedication

The Class of 1961 proudly dedicates the 1961 Sayrenade to Miss Ida Finch. Miss Finch, who was school nurse in Sayre for thirty years, received her R.N. at Worcester, Massachusetts, in 1919. She studied Public Health Nursing at Western Reserve College.

Miss Finch dedicated the greater part of her life for the benefit of the youth in Sayre. She originated the Home Nursing Program, and was very active in the Junior Red Cross. One of her dreams was to have a free dental clinic in the Sayre schools. We are deeply grateful for the many contributions Miss Finch made to our schools.

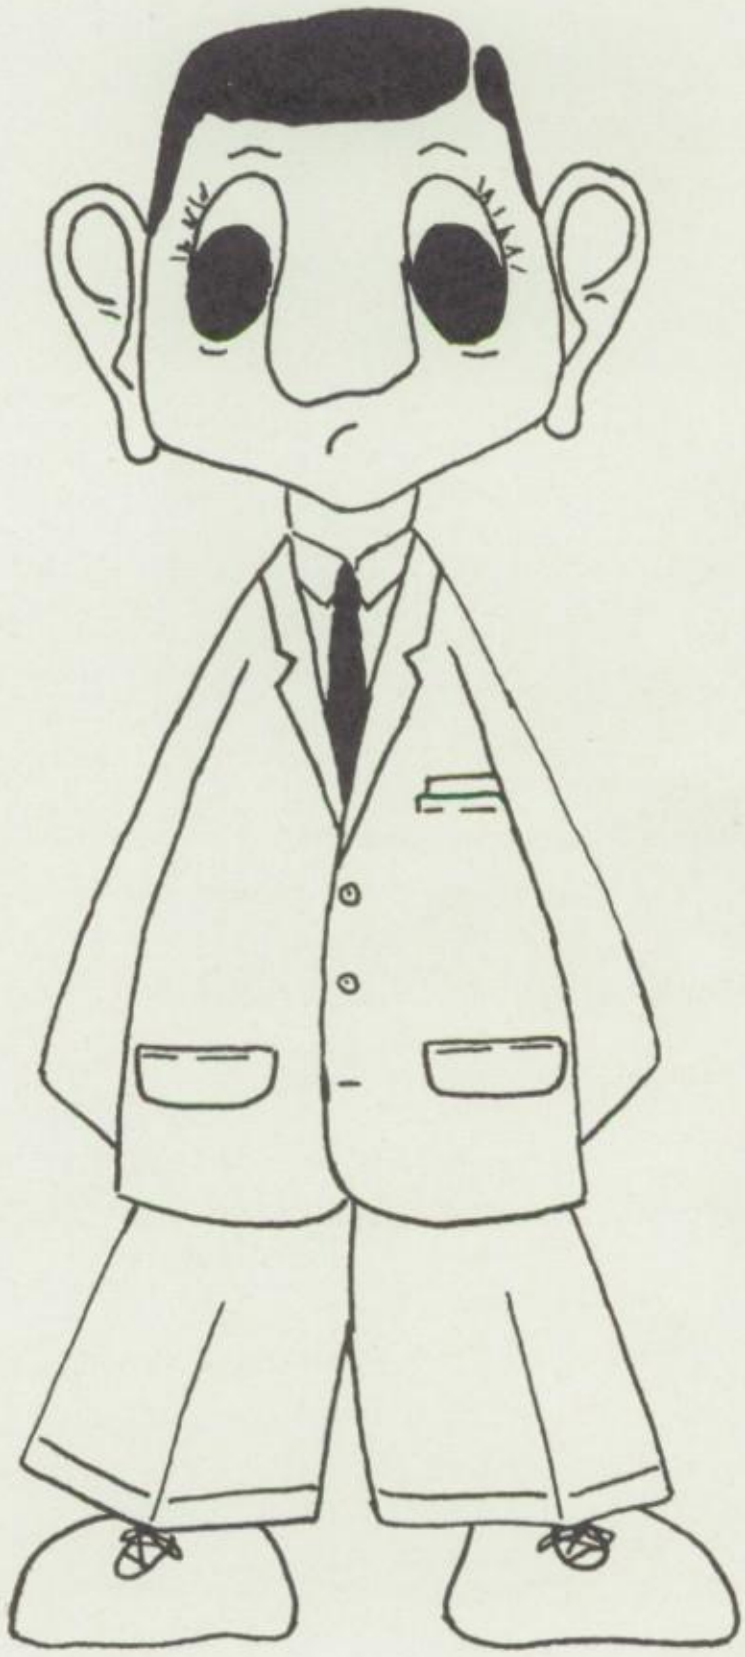
Administration



H. AUSTIN SNYDER

Superintendent of Schools

Congratulations to the class of 1961 for their production of this yearbook, "Sayrenade." The production of such a volume represents the history of your class which is to become a favorite volume of all class members. You are merging into an era of different educational techniques such as the use of large class groups for instruction and teaching machines. The administration and faculty are assured that regardless of the techniques which are used the basic skills which have been provided for you are of the utmost importance.

We are happy to have had the opportunity to play a part in providing these skills and know full well that all of you through the employment of these fundamentals will contribute to the betterment of our society.

Our school is filled with traditions and we are honored that you are to become a permanent part of it.

H. Austin Snyder

We are living in an age of rapidly accelerating technological change. Electronic digital computers can, in a few hours, outperform a man's lifetime of work. Automation is replacing workers by the hundreds of thousands. "Jets" and rockets have shrunk the earth to a small fraction of its former size and all nations have become practically "next door" neighbors. Peoples of the once remote and undeveloped parts of the world are clamoring for a "place in the sun."

Sudden change results in uncertainty and unrest. The challenge is great—the responsibilities are even greater. Members of the class of 1961 will be pioneers on radically new frontiers. Congratulations! and Godspeed.

EDUCATION

Education is the key to life,
It opens the door to the future
And paves the way to success.
All phases of our school life
Affect our future years
And those who guide us on our way
As we go.

As we think back
O'er years that have gone by,
We will realize how much
We owe to all who helped us
On our way.

Our paths will lead
In many different directions
But all will stem
From this beginning.

National Honor Society

To be chosen a member of the National Honor Society is one of the highest academic honors a student can attain.

Students in the junior and senior classes who rank in the upper tenth of their class scholastically, or who have maintained an average of 90 per cent or better, are eligible for membership in the National Honor Society.

Membership in the society also depends upon the principles of character, leadership, and service. Candidates most have spent at least one year in Sayre Area Joint High School to be eligible.

Junior members are elected on probation during the second semester of their junior year and become permanent members in their senior year.

Mr. Frank Chuchek, principal, is the sponsor of the National Honor Society.

National Thespian Society

Sayre Troupe 1151 is composed of members who have earned thirteen points, each point representing ten hours of work, through participation in plays, applying make-up to cast members, taking part in the Redskin Revue, radio broadcasts, and having a special interest in dramatics.

As well as having the privilege of belonging to this society, the Thespians receive a year's subscription to *Dramatics Magazine*.

"Act well your part; there all the honor lies" is the motto of this honorary, non-secret organization supervised by Mrs. Wildrick.

Student Council

The Student Council is the student government of the school with the representatives chosen from each homeroom. The Council is engaged in numerous worthwhile projects. The aim of the Student Council is to make the school a better place by means of improving conditions which the student body feels are unsatisfactory.

The Senior Council members, under the supervision of Miss Tozer, are elected at the beginning of the school year. The Junior and Senior classes are each allowed a delegate-at-large.

The Junior Council, under the direction of Mr. Kinch, has its members chosen after the first marking period. The Eighth and Ninth grades each elect a delegate-at-large.

The Council does much to establish proper rules of conduct, to promote scholarship, to better student-teacher relationships, to foster the ideas of democracy, to inspire greater interest in the school, and to bring together the entire school under one working body.

Members of the Senior High School are eligible for positions on the various staffs. These people publish and edit the magazine, three times a year, under the supervision of their respective advisors. The literary staff is directed by Mrs. Daddona, production and distribution by Mr. Crouse, art staff by Miss Bergen, and sales by Miss Bouton.

Renewing its program with the Herald Tribune Youth Forum, Sayre High School was very happy to greet Miss Chiseko Shirai from Kobe City, Japan. Chiseko was shown American hospitality by Miss Jan Rogers and her family.

During her altogether-too-brief stay, Chiseko was shown many aspects of "the American way of life" including industry, government, recreation, and education.

Under a new Rotary program, begun this year, Sayre High School welcomed Miss Margaret Rich from West Heidelburg, Australia. Margaret spent the first half of her year in Sayre with her hostess Miss Rae Clark and her family.

During this stay, she learned many things about America and formed new and different opinions. Most of all she developed lasting friendships, which will never be broken.

"Count Down For Tomorrow" was the theme of the 11th annual Career Day held November 7, for the students of Senior High School.

The program under the direction of Mr. Mortimer, guidance counselor, is to provide knowledge of the vocations and careers available to them.

Dr. Eugene P. Bertin, Assistant Executive Secretary of the Pennsylvania State Education Association, gave a most enlightening and enjoyable keynote address, "Some Fundamentals of Career Planning."

This year Sayre was fortunate in having fifty-one representatives to enlighten the program.

To complete the day several colleges held conferences with those people who expressed a desire to attend that college.

Redskin Revue

On February 10, auditions were held at the annual Redskin Revue for a fictitious television show to be presented by the members of the junior and senior high school. There was great competition between the many variety acts, all wanting to make their debut on television. This problem, however, was effectively and efficiently handled by Lynden Carney, Bill Chacona, and Walter Brehm, who acted as Masters of Ceremony.

The show, which gave the students a chance to display their talents, was enthusiastically received by the audience of the evening performance as well as the two matinees given for the elementary and junior high school students.

Mr. Daniel Safford was the director of the "television show." The Cap and Cue members, under the supervision of Mrs. Wildrick, were in charge of make-up. Others helping to make the show a success were Mr. Antonelli, tickets; and Miss Bergen, scenery.

The Unguided Miss

The Class of '61 proudly presented their Junior Class Play, "The Unguided Miss," on Saturday, April 23, 1960. It was a three-act comedy by William Davidson. Mr. Ted Crouse and Mr. Parker Allis, student teacher, directed the play.

The play briefly was about a used-to-be normal family. That is, until Lucia, the lovely Italian foreign student, arrives and completely upsets Susan Bryre's love life, thus causing the whole family to go haywire. As a result many comical scenes occur.

But, gee, Mom! !

Time Out For Ginger

Mr. Daniel Safford successfully directed the Senior Class Play, held on November 19, 1960. "Time Out For Ginger" was a comedy in three acts by Ronald Alexander.

The play takes place in the living room of Mr. and Mrs. Howard Carol's home. The basic cause for comedy was father's speech on individual rights which prompted Virginia to go out for the football team. There were petitions and footballs flying which led to a real comedy.

"Enchanted Sea" presented the effect of an ocean floor with jovial cardboard fish suspended from a ceiling of green and aqua crepe paper. Held on May 13, the Junior Prom proved to be a success and an affair which will not soon be forgotten.

Congratulations, Earl and Bill!

The students of Sayre High School took part in the 1960 presidential race by staging a mock election.

Students first registered as a member of their chosen party. Each homeroom then elected delegates to the two major parties. These delegates planned the convention program.

The conventions were held on Oct. 28. In the auditorium, David Glaser presided for the Republicans who selected Earl Maurer and Bill Chacona to run on their ticket.

In this club, they learn to increase their speed and accuracy by working on items of their choice.

Future Teachers of America

The F.T.A. Club, which is under the sponsorship of Mr. Daddona, gives prospective teachers an opportunity to obtain a background in the teaching profession.

During the year, they are called upon to perform many duties: supervision of the elementary lunch program, a day of student teaching and substitute teaching in Junior and Senior High School. The year is highlighted by a college visitation.

The officers of the club are: Ann Deubler, president; John Foster, vice president; Jeanne Clark, secretary-treasurer.

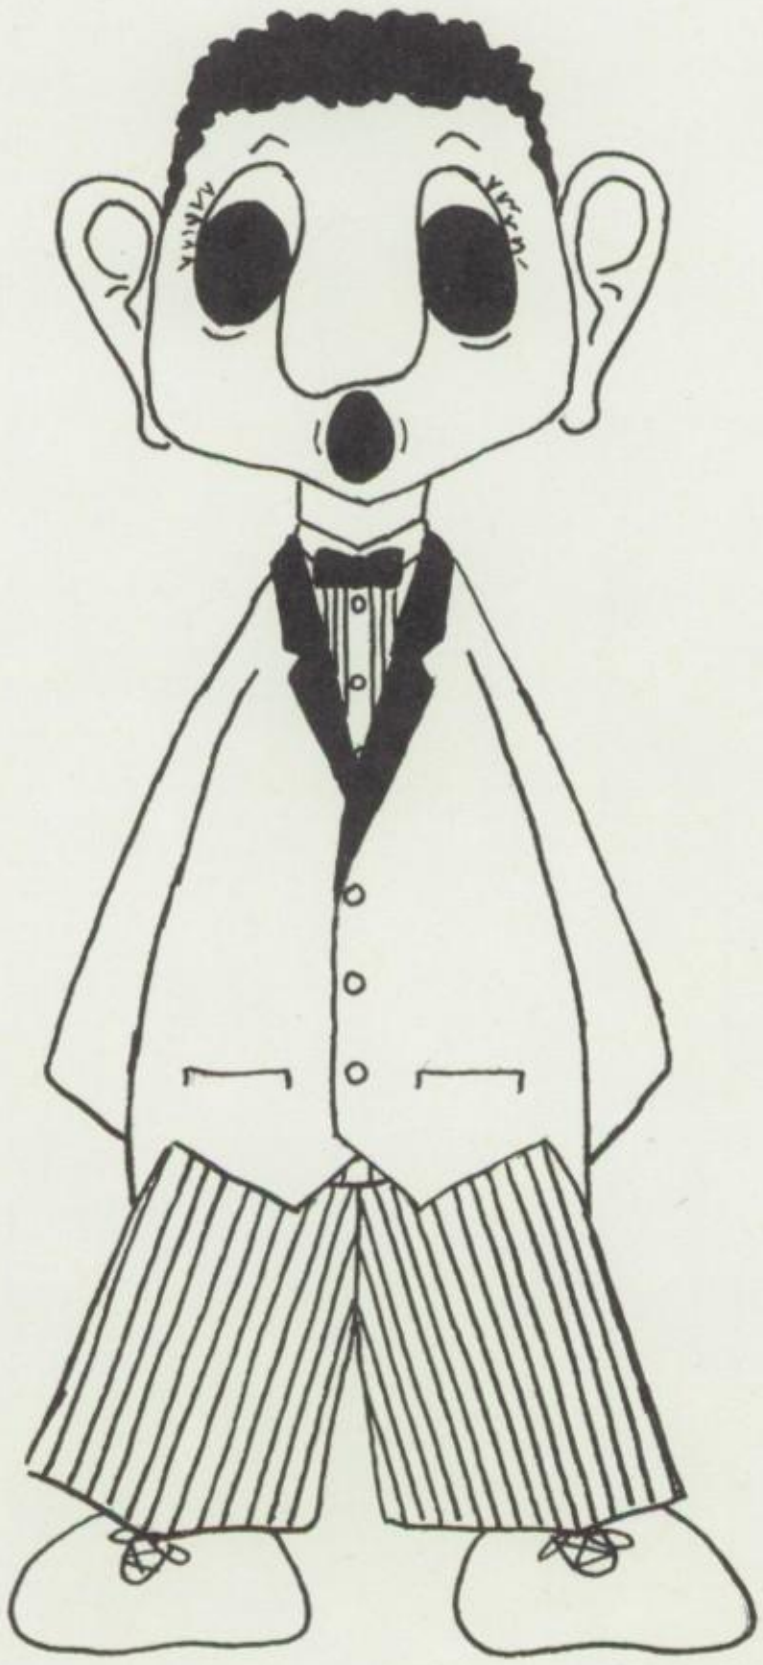
Music



Senior

The Senior Band, under the direction of Mr. Nelson Sickler, is one of the largest and most rewarding organizations in Sayre High School.

The band in its participation in various activities helped to make them a success. Some of these activities were the Halloween and Memorial Day parades and the annual May Day Festival. During football season the band not only displayed its playing skill but also its marching ability. It was greeted by large audiences. The band then turned its attention to classical music in preparation for their annual Spring Concert which was held March 18th.

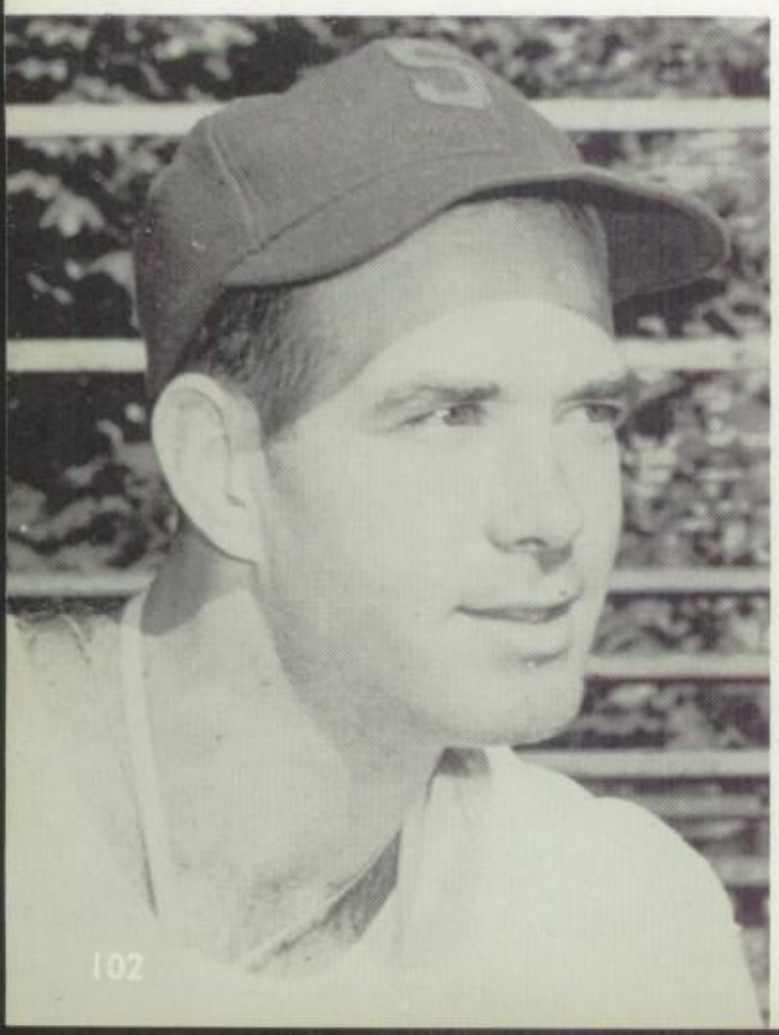
Head Coach



Sayre's home fans were delighted with the sight of the 1960 edition of the Redskins September 9 when they battled a highly favored Kingston Catholic eleven to a 0-0 standstill. The high point of the game came in the third quarter. Sayre's defense led by Tom Dunfee, put the game on the line and held Kingston on a goal line stand.

The following week, Sayre squeezed by Troy although they were outplayed by the Trojans. George Solomon, Sayre's fine quarterback, hit pay dirt first on an end sweep followed by John Soprano in the third quarter who scored on a brilliantly executed punt return that was good for 85 yards. John Northrup plunged over from the 5 with a touchdown that later proved to be the game-clincher with the final score 19-6.

The devastating power of Sayre, both offensively and defensively, showed up well when they routed the Blue Devils of E.F.A. 35-14. Soprano grabbed 2 T.D.'s this week while Dave DeKay, Northrup and Butch Havens added one each.

Canton tried to put up a fight but it just wasn't enough as Sayre overpowered the Warriors 26-7. It was DeKay's turn this week as he pushed his way for two scores. Solomon tightroped the sidelines for one and Northrup went off tackle to make the scoring complete for the evening.

Homecoming Day at Athens was upset by the Redskins as they rolled up their fourth straight victory. Soprano's run of 60 yards for a tally kept the fans excited while Northrup and DeKay increased the score to 20-7 and victory.

Led by Tom Pietro's 90-yard kickoff return for a touchdown, the Red and Blue completely dominated the Towanda club. Dave DeKay added two more scores to his scrapbook and John Soprano one to make the final score 25-7.

While grabbing their 3rd consecutive RTL Title, Sayre put on quite a show. Sophomore halfback Dave DeKay ran wild as he tucked away three more TD's and a spectacular 98-yard run by Butch Havens in the closing minutes of the game marked the longest T.D. run in Sayre history. Soprano made the final score to completely shut out the Rams 35-0.

In Sayre's final game on their own field, Soprano scored 22 points at the expense of Jim Haggerty's Crusaders. On the first play of the game he snatched a pass from Solomon and dashed 75 yards to pay dirt. The others came on a 40-yard punt return and an 8-yard plunge off tackle. End John Scanlin blocked a punt, picked it up and went 15 yards to score in a 28-7 win.

Led by John Northrup's 3 TD's, Sayre outplayed an outclassed Cortland team 33-7 to give the Redskins an undefeated season—its first since 1953. The other scores were made by Soprano on a 60-yard pass play and Jim Tyson's grab of a 28-yard aerial from Solomon. Dunfee entered the scoring column with his PAT in the final quarter.

Homecoming

"Queen Sharon" and attendants, Rose and Barb

Sharon Crocker reigned as Sayre's first Homecoming Queen, with Barbara Rolfe and Rose Hoyle as her attendants.

In a "Really Big Game" between Sayre and Waverly, the home team came out on top with a 12-7 victory. The ferocity of the contest seemed to outweigh that of any game ever played at the Lockhart Street Bowl. The onlooking crowd, estimated at nearly 6,500, saw an evenly matched contest, between two undefeated clubs, come to a climax in the last few minutes of play. A tricky pass play, putting Sayre in the deciding position, allowed the team to come from behind with the winning touchdown.

"Jew" Soprano barrels for extra yardage . . .

Basketball

The 1960-61 edition of the Sayre Redskin's basketball squad proved itself to be one of the fastest and most aggressive teams in the area.

George Solomon was the spark-plug and leader of the team. Corky Park with his adept ball-handling, Earl Maurer setting the nets afire with his fine shooting, and "little" John Foster clearing the boards with his rebounds, helped to make this team a well-balanced one.

The Redskins made their name feared with a double win over Williamsport, the first since '54, and a surprise win over Athens at Sayre. This win made a play-off game necessary to decide the R.T.L. title which the Redskins brought home to complete a very successful season.

Wrestling

The 1961 wrestling team through the efforts of Mr. Rushin ended the season with a 5-8 record and placed fourth in Roosevelt Trail League with a 4-6 mark.

The season's standouts were co-captains Edward Miller and John Soprano, and sophomore David DeKay. David DeKay and Edward Miller represented Sayre as District 4 Sectional Finalists at Towanda.

The Redskins will lose two seniors, LaVerne Havens and John Campbell. They will also be without the services of junior Edward Miller, who is moving to Buffalo.

On a more pleasant note, a number of sophomores and juniors have gained some invaluable experience this year and should be able to put it to good use next year to make the promise of a very successful season come true.
